

RRG8 F 1-7

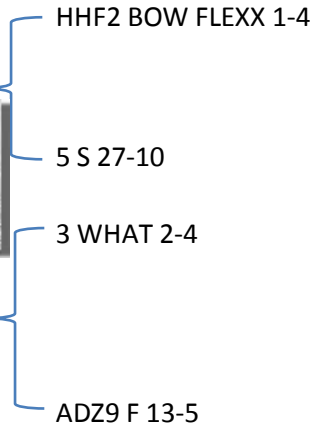

Stress: Positive

Dam of 2008 IllinoisRes Champ Gilt
and granddam of 2008 WPX
Champion Gilt

SBP5 F 2-9

RRG8 F 1-7 is FLAT POWERFUL. A Gilt that possesses the genetic power influenced the WPX Champions for both the Gilt and Barrow show. Don't forget the 2008 Poland WPX Champion Barrow was also the Reserve Grand Champion Barrow over all breeds. Holy Cow sired that great barrow. Now comes the dam's side. A genetic powerhouse starting with the KKK6 F 3-8, Indiana Class winning gilt and littermate to Extreme Makeover. KKK6 F 3-8 is the grandmother of the 2008 WPX Champion gilt who was also the 2008 STC Reserve Champion Junior Poland gilt. KKK6 F 3-8 was also the dam of Illinois Reserve Champion Gilt. Look at the power on Dam side. Black Cat. I don't need to tell anyone in SouthWest about this boar and all his accomplishments. Black Cat was the top selling Bow Flexx son at 2005 STC.
